Centre for Corporate Relations (CCR)

MS. Shweta Sharma
Dy Manager

Email: dymanagerplacements@asiapacific.edu

Centre for Corporate Relations (CCR) is the hub of activities which drive the 3-I (Institute-Industry-Interface) initiative. CCR develops and maintains a close relationship with corporate through guest lectures, corporate get-together, industry visits and frequent interaction at both institute and student level.

The CCR arranges for the mandatory six-to-eight weeks Summer Internship Program (SIP) in corporate houses for each student at the end of the first year. The CCR is also responsible for organizing final placement for the graduating students - a continuous process that effectively starts the day a student joins the institute.

Students are actively involved in all the activities of CCR - which includes publication of placement brochure and other literature, interaction with recruiters, organizing HR Roundtable, working and placement strategies & scheduling activities, maintaining resume banks, organizing industrial visits, speakers of eminence from industry etc. The exposure to this complex process helps to develop their Participative Managerial Effectiveness (PME).
